Rec'd September 23, 1948

FROM: Lisbon

TO: Secretary of State

NO: 527, September 23, 6 p. m.

Re DEPTTEL 435, September 15.

Informed today Foreign Office prepared sign ERP bilateral agreement with one insignificant change.

By oversight definition in (A) of Article 10 omits small Portuguese possession near Accra. There should therefore be inserted after "Portuguese Guinea" the words "the fortress of Sao Joao Baptista de Adjuda."

Please authorize acceptance above correction and telegraph authority sign.
